

Wacton Parish Council

Internal Control

The Internal Control Officer will:

- Reassure himself/herself that the risk of fraud being committed has been adequately covered in the Risk Assessment.
- Review the accounting and internal control systems noting that their establishment and alteration is the responsibility of the Council.
- Carry out test checking of the books, accounts and vouchers as required. The Internal Control Officer will have the right to access the books, accounts and vouchers of the Council at all reasonable times.
 - Check the books of account have been properly kept throughout the year.
 - Check a sample of payments to ensure that the Council's Financial Regulations have been met, payments are supported by invoices, expenditure is approved and VAT is correctly accounted for.
 - Verify that the annual precept request is the result of a proper budgetary process, that budget process has been regularly monitored and that the Council's reserves are appropriate.
 - Check income records ensuring that the correct price has been charged, income has been received, recorded and promptly banked, and VAT is correctly accounted for.
 - Review expense records to ensure that payments are supported by receipts, expenditure is approved and VAT is correctly accounted for.
 - Check salaries to employees have been paid in accordance with Council approvals and that Income Tax requirements have been applied.
 - Check accuracy of asset and investment registers.
 - Test accuracy and timeliness of periodic and year end bank account reconciliation.
 - Test accuracy and completeness of year-end financial statements.
 - Any other appropriate additional relevant testing to support the validity and integrity of the above.
- Report, in writing, to Council at least twice each year on the results of such tests of the systems that are carried out.

Attached is a check list which Councillors need to consider to confirm that the procedures are in place and to consider any improvements in the process for the coming year.
